TWO ROOMS · TWO SOURCES

DOCUMENTATION OF THE MUSIC SETUP

- A later iPhone photograph at 10:24 shows “The Modern Things” (from Post), not “Venus as a Boy”.
- A photograph of the room shows the television screen dark and the actual audio equipment.
- A Bluetooth receiver provided analogue audio to a Philips amplifier and two Jamo loudspeakers.

The owner reports that Debut had been playing through in the living room. These later photographs independently confirm the setup, not exact playback timing.
