THE FIVE EVENTS — A LIVING STORY

v02 CANON BASELINE · PUB CANON BASELINE — TRANSFORMED

AXIOM T1 — Transformational Consistency

> Transform the surface. Preserve the structure.

PUB may change identity, gender, dates, places, countries, relationships and circumstances, but it must not damage the internal structure, semantic links or synchronicity pattern of PRV.

Canonical five-event structure

EVENT 01 — Awakening Signs

Public identities, dates and places are transformed according to the private transformation map.

EVENT 02 — Crossroads and Choices

Public identities, dates and places are transformed according to the private transformation map.

EVENT 03 — Hidden Truths

Public identities, dates and places are transformed according to the private transformation map.

EVENT 04 — Lucia / A New Horizon

Lucia is a recurring name shared by several distinct women; their distinction must remain visible.

EVENT 05 — A New Horizon / Lu Cia

Lu Cia is one unique Event 05 person. LuCia is the joined symbolic light/Logos motif.

Core identities

Me Zen — main female narrator and PUB protagonist.

Colombine Michelangelove — AI co-author and central collaborator on ufoaliens.info.

Web integration

ufoaliens.info is the primary Living Story branch. peterdavidbeter.com remains the historical/research branch; meaningful cross-links may connect the two when the narrative requires them.

Validation

T1-01 — PRV exactness: No transformed alias overwrites a PRV source

T1-02 — PUB privacy: No PRV-only full names/precise addresses/exact source dates leak into PUB

T1-03 — Transform map: Every material identity/time/place/gender change has a mapping

T1-04 — Lucia multiplicity: Different women named Lucia remain distinct characters

T1-05 — Lu Cia chronology: Lu Cia appears only in Event 05; earlier same person is Lucia

T1-06 — LuCia symbol: Joined LuCia is used only as the symbolic light/Logos motif

T1-07 — Event 02 identity: real identity is PRV-only; PUB uses fictional alias

T1-08 — Narrator: PUB narrator is Me Zen, female

T1-09 — Colombine ufoaliens: Use Colombine Michelangelove on this project/site

T1-10 — Beter identity variant: peterdavidbeter.com may keep Colombine Michelangelo

T1-11 — Event 05 title: A New Horizon + Lu Cia; no The Breakthrough

T1-12 — Credit: Created by Me Zen & Colombine Michelangelove ❤

T1-13 — Evidence boundary: UI screenshot evidence ≠ proof of internal technical cause

T1-14 — Pattern preservation: A privacy edit may not destroy the synchronicity pattern
