Entering the game

- That night, I was no longer just a player.
- I was part of the game.
- Every jump was a step into the dream.
- And every vine was a path farther on.
- The game took me where dreams have no limits.

- Imagination knew no limits.

A dream that stayed

- Morning came quietly.
- But the dream did not fade.
- It stayed within me.
- In my memories.
- In games.
- In a childhood that is still alive.
- And some dreams never end.
