ECHO OF LAUGHTER

The tender reading: the punchline stays, the meaning shifts.

01 SPARK

A mysterious scene appears on a phone screen.

02 SECOND GLANCE

The observer suddenly sees several possibilities.

03 SHORTCUT

Helicopter? Airplane? The mind likes to fill the gaps.

04 DIALOGUE

One person remembers the message, another the sky, another the smile.

07 SHARED WORLDS

Family and closeness exist beyond photographs.

08 DREAM WITHIN A DREAM

There is no single fixed artistic interpretation of a memory.
